### CAREER OBJECTIVE:

Creative and results-driven Graphic Designer & Video Editor with over 7 years of experience in both corporate and freelance environments. Proven expertise in leading design projects, mentoring aspiring freelancers, and delivering high-quality visual content. Demonstrated ability to manage multiple projects simultaneously, ensuring timely delivery and client satisfaction.

### PROFESSIONAL EXPERIENCE:

#### 📌 Mentor – Graphic Design & Freelancing

📍 E-Learning & Earning Ltd. | Project under DYD (Government Initiative)

📅 January 2025 – Present

- Conducting hands-on training on Adobe Photoshop, Illustrator, and freelancing marketplace strategies.
- Guided 100+ youth to build design portfolios and start freelancing careers on platforms like Fiverr and Upwork.
- Provided individual mentorship, task-based learning, and marketplace tips to enhance earning potential.
- Assisted in developing training modules and visual content for national-level capacity-building programs.

#### 📌 Senior Graphic Designer & Mentor

📍 Infinity International Technology Ltd. | **Her Power Project (ICT Ministry)**

📅 October 2023 – December 2024

- Selected as mentor in a government initiative to empower women through freelancing and digital design education.
- Delivered structured training on Adobe tools (Photoshop, Illustrator) with real-world projects and assignments.
- Helped female trainees build professional portfolios and start earning through freelancing.
- Designed educational content, tutorials, and feedback sheets to support remote learning.

#### 📌 Senior Graphic Designer & Mentor

📍 Service Engine Ltd. | **Her Power Project (ICT Ministry)**

📅 July 2022 – December 2022

- Created branding materials including logos, flyers, social media graphics, and corporate presentations.
- Supported marketing team with high-quality visual content for internal and external campaigns.
- Maintained consistency in brand visuals and managed organized asset libraries.

#### Mentor – Freelancing & Graphic Design (Short-Term)

📍 Department of Youth Development (DYD) | Government of Bangladesh

📅 November 2024 – December 2024

- Appointed as a mentor for a 1-month government freelancing course under DYD.
- Conducted practical training sessions on Adobe Photoshop, Illustrator, and freelancing basics.
- Helped youth understand marketplace dynamics (Fiverr, Upwork) and guided them in portfolio creation.
- Provided short-term mentoring and career tips to inspire freelance career growth.

🏆 Training & Mentorship Highlights Trainer – National Children's Programming Contest (Zilla Level) 📍  
Organized by DC Office | Govt. of Bangladesh

## 1 Week ( October 2019 )

- Conducted training under the Jatio Shishu-Kishor Programming Protijogita initiative.
- Taught Scratch programming to students of Class 1–5, and Basic Python to students of Class 6–10.
- Delivered structured lessons to foster logic building and programming creativity among school students.
- 4 students from the batch were selected to participate at the national level.

## **Freelance Experience** **Freelance Graphic Designer (Fiverr – Top Rated Seller)**

 Remote / Online Marketplace

March 2017 – July 2024

- Successfully completed 1200+ international projects on Fiverr, specializing in:
  - Logo Design
  - Label & Packaging Design
  - Flyer, Brochure, and Print Design
  - Business Cards & Brand Identity
- Worked with clients from over 35+ countries, maintaining 5-star ratings and consistent client satisfaction.
- Designed for a wide range of industries including eCommerce, health & beauty, real estate, education, and tech startups.
- Developed brand guidelines and marketing materials for new businesses and rebrands.
- Expert in using Adobe Illustrator, Photoshop, and InDesign for high-quality creative output.

## **Freelance Graphic Designer & Video Editor**

 Upwork & Direct Clients (Remote)

 2023 – Present

- Successfully completed 80+ design and video editing projects on Upwork, maintaining high client ratings and satisfaction.
- Specialized in logo design, social media content, thumbnails, banner ads, motion graphics, and short-form video editing.
- Built long-term relationships with international clients from the USA, UK, Canada, and Middle East.
- Delivered high-quality designs and videos using Adobe Photoshop, Illustrator, Premiere Pro, After Effects.
- Managed client communications, proposals, and timely delivery through both marketplaces and social media outreach (Facebook, LinkedIn, Instagram).
- Developed project-based pricing models and custom packages for different client needs.
